Paulo Gamela	My Player's Player is very predictable as it's Matt Shattock. He is a willing worker as well as one of our better players on the pitch, and also committed to the club by attending training most weeks and happy to play for both the A and E teams. He even brings his wife to training.			
Luis Ventura	He is always someone who works hard and supports his team-mates. His attitude on the field is always positive.			
Bruno Oliveira	No comment. No need. He's clearly Players' Player of the Year.			
Pedro Sousa	I'll go for Matt Shattock for his dedication - at buying rounds.			
Felipe Nascimento	My player of the year is Matt, can't take that almost half-way line volley of my head!			
Nuno Monteiro	No special reason.			
Helder Rubio	Helder Rubio My vote goes to Matt. He's a very energetic player, never gives up and I've seen him score some amazing goals this season.			
Edward Legge-Bourke	My votes go to Matt Shattock for being such a great team player.

		ne. Picked or not picked to start. Victor is always present	
Damian Roach	1	ins (well off-field at least). On his commitment to the Team, well out of 68 games says it all really and he always automatically	
		y in goals when we have no GK.	
David Salgueiral	Reliable. Always puts in 100%. Volunteers to play in-goals without moaning.		
David Cunha	d Cunha My vote goes to Victor Antunes. Reasons: 1) he's always there; 2) available to		
	play in any posit	ion; 3) good team spirit; 4) swearing only goes for the referee :)	
Francisco Montenegro	My vote goes to	Victor. For his true team spirit demonstrated throughout the	
	year. Going in g	oal, showing to every game, encouraging us even when he does	
	not have an oppo	ortunity to play.	
Salvador Cerquido	My player of the	year goes to Victor. He is the most reliable and a true team	
	player. I am sure	we will accomplish a lot next year if we all learn to sacrifice	
	like him and the	Captains.

Voted by:-		David Cunha - 4 votes.		
Matt Shattock		The Top Goalscorer, he has generally played very well and also travels from the other side of the river just to play and train.		
David Fernandes	My vote goes to and team spirit.	My vote goes to David Cunha for a great season both in quality as in consistency and team spirit.		
Ricardo Seabra	My vote goes to	David Cunha, a great addition to the squad.		

João Metelo	My vote goes to David Cunha - a 100% work-rate, team spirit, no moaning. He's
	all about playing the game."

Voted by:-		Bruno Oliveira - 3 votes.		
Jon Burke	Bruno was unsel	runo was unselfish in his decisions & composed under pressure.		
Alex Huchet	For great ability.			
Fernando Pinto	No comment.			

Voted by:-	+	Paulo Gamela - 3 votes.
0 51 1	• •	Year is Paulo Gamela because he has taken on the
Osaze Ehibor	a great attitude.	leading the team, when called on to do so, with a good spirit and
Paulo Duarte My vote goes to Paulo Gamela for his engagement in the support to LC-tea		
	season. Besides,	technically speaking he is a good player."
Stuart Royle	poor weather and	I would go for Paulo Gamela. He took many training sessions, in d with low numbers, kept the atmosphere positive and made
		rth the effort; he also led the team through some pretty miserable ber and January (7-1, 13-0 etc) without becoming negative at all.
		n't remember him having a bad game.
